RESOURCE CONSERVATIONIST

Pike County Conservation District is accepting applications for a full-time Resource Conservationist. This is a challenging position implementing environmental regulatory and natural resource management programs.

The job involves a variety of administrative, technical and operational-level work in the fields of erosion control, stormwater management and waterways management related to DEP's Chapters 102, 92 and 105 Rules and Regulations. The job includes inspection, compliance and enforcement activities and extensive contact with the general public, engineers, earthmoving contractors and developers, municipal officials and government agency personnel to facilitate planning and implementation of conservation practices associated with land development.

Bachelor's Degree in environmental science, water resources, engineering technology or a closely related natural resource field *and* one to two years of related experience preferred. Requires excellent communication skills, computer knowledge, ability to read maps/construction plans, math skills and organizational abilities. Knowledge of construction practices a plus. Salary plus County benefits package.

Mail resume to Executive Director, 556 Route 402, Hawley, PA 18428 or e-mail to sbeecher@pikepa.org by February 10, 2012. Pike County is an EOE.
