Internship Opportunity Announcement – Summer 2017
Northumberland County Conservation District

POSITION TITLE: Northumberland County Conservation District Intern

DUTIES/JOB DESCRIPTION: The Northumberland County Conservation District (NCCD) is currently accepting resumes for full time (40 hours per week) internship positions during the summer months of 2017 (May through August). The intern will be involved in the following projects: Streambank restorations which will include the installation of fish habitat structures, Dirt, Gravel, and Low Volume Road projects, assistance with several farm projects involving the installation of bmps (best management practices), assistance with the writing of manure management and agricultural erosion and sedimentation plans, and additional duties performed in the daily operations of the District. The selected candidates will gain experiences in the areas of project management, conservation issues and potential resolutions, environmental education, conservation practices, public relations, and working in local government.

HOURS: The work hours will consist of 40 hours per week. Hours will be from 8:00am until 4:30pm Monday through Friday.

REQUIREMENTS: The interested candidates should currently be enrolled in either an undergraduate- or graduate-degree program, preferably with an environmental or agricultural emphasis. Must be highly motivated and have the ability to work independently. The interns may be required to use their own vehicles.

COMPENSATION: This is an unpaid position. NCCD will work with the school's internship coordinator if this experience can be used for class credit.

HOW TO APPLY: Students may submit a cover letter and resume directly to the Northumberland County Conservation District, Attn: Judy Becker, 441 Plum Creek Road, Sunbury, PA 17801.

APPLICATION DEADLINE: Open until filled.
