

Subject: Job Announcement

The Potter County Conservation District is seeking qualified candidates for the position of **Agricultural Conservation/Chesapeake Bay Technician**.

The position will be full-time (37.5 hours/week) with a probationary period of six months. The purpose of this position is to serve as a resource and technical advisor for cooperating agricultural producers and landowners within Potter County. The qualified applicant must have collegiate and/or professional background in agriculture, be able to obtain required clearances, and a valid driver's license.

Candidates must have the ability to pass and maintain certification with the Nutrient Management Act and the capacity to read and apply state rules, regulations, policies, and procedures in the preparation and implementation of the Nutrient Management and Chesapeake Bay Programs. The person in this position must have excellent communication skills, be self-motivated, and detail oriented. Tasks will be assigned and supervised by the District Manager per program needs.

The salary will be commensurate with experience. Qualified applicants will receive consideration for employment without regard to race, color, religious creed, age, sex, ancestry or national origin.

Contact the Potter County Conservation District for an employment application and full job description at 814-320-4012, or at j.childs@pottercd.com

Deadline for application and resume is **June 9th, 2017**. Send application and resume to:
