The Northeast Association of Conservation District Employees (NACDE) invites you to join them on Sunday, July 15, for a trip to Longwood Gardens. One of the world's premier horticultural display gardens, Longwood Gardens boasts 11,000 varieties of plants and more than 1,000 acres of gardens, meadows, woodlands and elaborate horticultural displays. Participants will have the opportunity to take in some Pennsylvania scenery on the way to the gardens, and two full hours to enjoy the exquisitely maintained grounds that include [twenty outdoor and twenty indoor gardens](#).
