

## AGRICULTURE CONSERVATION SPECIALIST

The Cambria County Conservation District has an Agriculture Conservation Specialist vacancy for administration of the Nutrient / Manure Management, Agriculture Conservation Technical Assistance and No-Till Equipment Rental Programs. Primary duties include: review Agriculture E&S / Conservation and Manure / Nutrient Management Plans, compliance inspections, complaint investigations, education and no-till equipment delivery, set-up and maintenance. Minimum requirements: B.S. degree in Agriculture, Natural Resource Management, Environmental Science or related field, or combination of related experience and training; strong written and verbal communication skills; knowledge of agricultural operations, conservation planning and BMP's; valid driver's license. Candidates must have the ability to pass and maintain certification with the PA Nutrient Management Act. This is a full-time position, 40 hours per week, with benefits. Must be able to work flexible hours including occasional evening hours. Starting salary is \$30,000 - \$34,000 based on experience and qualifications.

If interested please submit resume and cover letter by August 26, 2019 to John Dryzal, Manager; Cambria County Conservation District, 401 Candlelight Drive, Suite 229, Ebensburg, PA 15931. Equal Employment Opportunity.
