The Clinton County Conservation District is accepting applications for a full time Agricultural Resource Conservationist. This position would be responsible to administer programs such as Nutrient Management regulations, Manure Management rules, Agricultural Erosion & Sediment Control plans, and conservation planning requirements. This position will review plans, provide technical assistance on farm best management practices, and compliance with environmental regulations, conduct farm inspections, provide technical assistance on environmental regulations, investigate complaints, and offer training programs. Must have ability to traverse difficult outdoor terrain, interpret environmental regulations and construction drawings. Will require Nutrient Management Specialist certification to be obtained. Bachelor's degree in Environmental Science, Natural Resource Management, Agricultural Science or an environmental related field with two to three years of natural resource conservation experience. Experience working in the agricultural field strongly preferred. Starting Salary: \$36,297.00 or commensurate with experience. Position requires a valid Pennsylvania driver's license and ability to drive a County vehicle. Offer of employment contingent upon a satisfactory pre-employment drug screen, background check and computer skills test. Job descriptions and applications are available at the Clinton County Conservation District or online at www.clintoncountypa.com. Qualified candidates should submit an application and resume to Mary Ann Bower, Clinton County Conservation District, 45 Cooperation Lane, Mill Hall, Pa 17751. Deadline for all submissions is December 23, 2019.
