Two Conservation Districts Complete CREP Mini-Grants

This year PACD offered a short round of CREP mini-grants to Pennsylvania conservation districts. \$500 was awarded to Cameron County Conservation District and \$1,000 was awarded to Indiana County Conservation District. The grants were used to implement virtual educational and outreach activities that support and extend the work of the Conservation Reserve Enhancement Program (CREP). For more information about the mini-grant program, please contact Holly Miller at hmiller@pacd.org.
