

2021 Version--:30 Conservation Tips PSA

Every day, Pennsylvania's sixty-six conservation districts work to prevent pollution in Pennsylvania. But we can't do this alone.

By taking a few simple steps, we can all make a difference to stop pollution from entering streams and lakes. Conservation can start at home!

- Limit the amount of salt and de-icers you use on driveways and sidewalks. Remove the snow first and do not over apply.
