The PACD Executive Council Video Conference was held on January 27, 2022. In addition to PACD's business meeting, several partners provided reports.

“While we were disappointed that we could not meet in person, we were happy to connect with each other over Zoom,” said PACD President Kelly Stagen. “We are grateful to PA Department of Environmental Protection Secretary Patrick McDonnell and PA Department of Conservation and Natural Resources Cindy Adams Dunn for joining us and for their continued support of conservation districts.”

Other key partners providing reports were PA Department of Agriculture Deputy Secretary Greg Hostetter, State Conservation Commission Executive Secretary Karl Brown, and USDA Natural Resources Conservation Service Assistant State Conservationist for Partnerships and RCPP Coordinator Susan Marquart.
