

Indiana Completes Multi-Functional Riparian Forest Buffers

Indiana County Conservation District planted 7 multi-functional riparian forest buffers in Indiana County last year. The projects covered almost 13 acres and were paid for through PACD's multi-functional riparian buffer sub-grant program.

1.4 acres along Cheese Run = \$2,555.97

.91 acres along McCarthy Run = \$1,972.48

.74 acres along Cherry Run = \$1,407.21

.72 acres along Weirs Run = \$927.30

3.5 acres along Leasure Run = \$3,842.59

3.3 acres along Reeds Run = \$6,109.69

2.25 acres along Reeds Run = \$4,505.87
