Subject: Job Announcement

Are you looking for a challenge? Want to make a difference? Check out this career opportunity to help conserve our soils and improve our water quality while working in a fast-paced environment. Position offers indoor and outdoor work and includes excellent benefits.

The Franklin County Conservation District is seeking qualified applicants for the position of **Erosion and Sediment Control Technician**.

Qualified applicants should have a good working knowledge of soils, nutrients, hydrology, land use and geography. This position requires good verbal and written communication skills, a strong personality that is not easily intimidated, proficiency in math, attention to details and a good working knowledge of various computer programs.

A Bachelor Degree in Agriculture, Engineering, Natural Sciences, Environmental Science, Resource Management or related subject is required. An equivalent of education, training and experience combination may qualify at the discretion of the FCCD.

The Erosion and Sediment Control Technician will be responsible for administering PA's Chapter 102 Erosion and Sediment Control Program along with Chapter 92 National Pollutant Discharge Elimination System (NPDES) Program in Franklin County. As part of Chapter 102, the Technician will provide direct technical assistance to surveyors, engineers, plan writers, developers and contractors. Assistance may be given to Franklin County farmers to develop and implement Ag Erosion and Sediment Control plans. This position consists of office and field work in all seasons.

Position: Erosion and Sediment Control Technician

Location: Franklin County Conservation District
185 Franklin Farm Lane
Chambersburg, PA 17202

Start Date: June 2026

Hours: 7:00 a.m. – 3:30 p.m. Monday – Friday
