

CPESC Review Course – Harrisburg, PA

The Pennsylvania Association of Conservation Districts (PACD) is sponsoring a **Certified Professional in Erosion and Sediment Control (CPESC) Review Course** for E&S specialists, engineers and technicians.

The review course will ensure CPESC applicants understand which concepts will be covered by the exam and acts as a review for most of those concepts. Applicants for the exam should have a sufficient combination of education and experience to be able to independently study the materials identified in the General Principles Review Manual.
