Approval of July 2017 minutes

The minutes of the previous meeting on July 12, 2017 were provided to members for review.

There was not a quorum present to approve the minutes.

Shared Photo Database Demonstration (Jessie Albright)

Jessie Albright has taken the lead on the photo library project. Since she couldn't be present at the meeting, she made a video to demonstrate the PACD video library for the committee meeting. So far 100 pictures have been added to the library.

The committee needs to decide on how to use the library. A tutorial document or video should be created for users. The sub-committee can work on this document or video via email.

Wyoming County Patriots Cover Project

Wyoming County could not attend to talk about their project due to the weather.

New Business

Conservation district projects that are not regulated need to continue to be highlighted and stimulate discussion.

PACD is creating highlights page for legislators. Fifteen districts have not submitted these. Please submit them if you haven't.

For the July committee meeting:

Jody offered to compile a shorter presentation or PowerPoint to talk about DCNR programs in July. We can also ask Wyoming County to do their presentation in July.

Adjourn

The meeting was adjourned at 11:50am.
