

RESOURCE CONSERVATIONIST
LANCASTER COUNTY CONSERVATION DISTRICT

The Lancaster County Conservation District has a vacancy for a Resource Conservationist in the Erosion Control Department. The person in this position will have a blend of both administrative and technical duties. Responsibilities include construction plan review, construction site inspection, complaint handling, and permit issuance related to the Chapter 102/105 programs. The successful applicant must possess good written and oral communications skills and be competent in the application of basic algebra and geometry. Applicants should have the ability to interpret topographic survey maps and engineered drawings. Experience in the construction industry is beneficial.

Minimum qualifications are:

- Four year degree in an environmental or related field
- Valid drivers license, and personal vehicle
- Ability to traverse rough terrain

Starting salary: \$35,000 + Commensurate with experience and excellent benefits package
Plus a \$2400 signing bonus

Required Application Information:

- District Application (available at www.lancasterconservation.org)
- Cover Letter
- Resume
- Official College Transcript
- 3 references who are not relatives or previous employers

Persons interested in this position need to send the required application information to Christopher Thompson, District Manager, by January 25, 2019.
