The screenshot shows a Facebook album interface for 'Piney Run Creek Restoration'. The album description reads: 'Local Conservation District and Fearless Farms are proud to announce the completion of our restoration project on Piney Run! #pafarming'. Below the description is a 'Location' field with a location pin icon, a 'Privacy' dropdown set to 'Public', and buttons for 'Add Photos', 'Delete Album', and 'Save'. The album contains four photos with captions: 'After: The restored stream. Beautiful!', 'During: Work in progress by contractors xyz123', 'Before: The trampled stream bank led to lots of dirt and pollution in the stream.', and 'Fred and Nancy Farmer are happy with the results! A handsome farm couple posing with their favorite horse.' Red arrows point from text annotations to the 'Location' field, the caption of the 'Before' photo, and the tag icons in the photo's interaction bar.

Tag the location

Caption each photo, and drag them into the order you want

Tag individuals and locations in each photo

Album Description

Local Conservation District and Fearless Farms are proud to announce the completion of our restoration project on Piney Run! [#pafarming](#), [#carboncountypa](#)
