Agency Planter & Drill Workshop

April 10th Landisville

This workshop is geared towards the conservation planners with no or little experience in setting up a planter. The goal is to help participants better understand the problems that farmers face in transitioning their equipment to no-till and assist farmers in finding solutions to guarantee success in setting up their equipment.

Workshop Topics to Include:

- Seedling agronomy and the role of proper planting
- Understanding planter and drill mechanics
- Planter setup and maintenance
- Attachments for no-till planters
- Drill calibration
- Diagnosing problems in the field

Event location: Southeast Agricultural
Research and Extension Center (SEAREC)
1446 Auction Road, Manheim PA

Registration fee: \$30
Registration fee includes lunch
