

In Celebration of Conservation District Week
the Elk County Conservation
District is talking trash...

Think you've got what it takes
to pick up more trash than
us?

We doubt it... but you can try.

If you're up to the challenge we'll meet you on the streets, during Conservation District week, beginning April 19th. The Conservation District to pick up the most trash is the winner.

#ConservationCallout

#DistrictTrashTalking

- Pick up trash in your county and keep track of number of bags and weight of trash (if able). No actual prizes awarded but winner claims bragging rights. Share your District's pictures and results on Facebook using the hashtags above.

“May the odds be ever in your favor.” - District 24 (Elk)
