

## Job Opening

Are you looking for an opportunity to enrich hearts and minds?  
Do you enjoy engaging conversations with all groups and ages?  
Are you adept at education using hands on & passive learning?  
Do you enjoy gardening, landscaping and trail maintenance?  
Are you proficient with social media and website management?

Now is your chance to join the Blair County Conservation District and NatureWorksPark for a rewarding career in Conservation Education - in the field and in the classroom!

Be part of our Team in the continued instructional development and programming at NatureWorksPark and impact thousands of visitors each year!
