Job Opening

Are you looking for an opportunity to work with Resource Agencies, Earthmoving Contractors, Engineers and Municipalities?
Would you enjoy reviewing plans and conducting site inspections to document Erosion Control Practices on construction sites?
Are you comfortable reading maps and plan sheets?
Would you enjoy learning new concepts for environmental benefits?
Are you interested in reducing pollution and serving the general public through resource awareness and conservation education?

Now is your chance to join the Blair County Conservation District for a rewarding career in Resource Permitting, Implementation and Education from the office to the field!
